

EQUAL EDUCATIONAL OPPORTUNITIES

The Board of Education of the Berlin Central School District hereby affirms that each student attending the District's schools or participating in programs or receiving services under the auspices of the Board shall have equal educational opportunities.

No student shall be excluded from participating in, or having access to, or otherwise be prevented from benefiting from any course offering, school program or service, or school activity on the basis of her/his race, color, creed or religion, sex, national origin, marital status, disability, sexual orientation, or physical condition.
