

## **ENTRANCE AGE**

The Berlin Central School District Board of Education recognizes that, consistent with the Education Law, a child over five years of age is entitled to attend the public schools of the District. No child who attains her/his fifth birthday after December 1 shall be admitted to the District's schools until the school year following her/his fifth birthday.

The Superintendent of Schools or her/his designee shall have sole discretion to determine the grade level and class in which a child is placed.
